

NATIONAL PUBLIC LANDS GRAZING CAMPAIGN

How You Can Help NPLGC

1. Urge Your Federal Elected Officials to Support MUCRA

In June 2005, the Multiple-Use Conflict Resolution Act (MUCRA) was introduced in the U.S. House of Representatives as H.R. 3166. Please contact your Congressional representative and two United States senators and request they cosponsor MUCRA for ecological, economic, fiscal, social and political reasons. If you don't know who your federal elected officials are or how to contact them, you can either:

- Visit www.house.gov and enter your zip code or www.senate.gov and enter your state where indicated.
- Contact your local library or county elections office.

2. Keep Informed and Involved

- **Visit the NPLGC websites.** To learn more about the impacts of public lands livestock grazing, MUCRA and voluntary federal grazing permit buyout, visit the National Public Lands Grazing Campaign websites at www.publiclandsranching.org and www.permitbuyout.net.
- **Join the NPLGC Permit Buyout Listserve.** To receive periodic news briefs about MUCRA and other voluntary federal grazing permit buyout legislation, please join the NPLGC permit buyout listserve at www.publiclandsranching.org/listserver.asp.
- **Buy "the book."** *Welfare Ranching: The Subsidized Destruction of the American West* (edited by George Wuerthner and Mollie Matteson, published by the Foundation for Deep Ecology and Island Press) is a 346-page full color, documented indictment of federal public lands grazing. It is available from your local bookstore or by visiting www.publiclandsranching.org/book.htm.

3. Solicit Organizations to Endorse Voluntary Grazing Permit Buyout

The National Public Lands Grazing Campaign is seeking organizational endorsements for MUCRA and voluntary grazing permit buyout. Conservation, recreation, professional and/or civic organizations can register their support for both on the NPLGC website endorsement page at www.publiclandsranching.org/htmlres/endorsement.asp.

4. Support the National Public Lands Grazing Campaign

If you would like to make a contribution to support the voluntary retirement of federal grazing permits, write your check to "Western Watersheds Project (NPLGC)" and send to:
